

## Level 2 UKCC Assessment Pre Course

Thank you for booking with Fluidskills.com

It is required, of you, to complete a few tasks given to you in your BCU paperwork.

### **Please complete the following before your course starts**

1. The Long Term Paddler Development (LTPD) test, if not completed already. reference can be found to this in your Candidate pack (page 23) or found at: <http://www.bcucoaching.org.uk/>
2. First Aid certificate.
3. Case Study No.1 (Found in your assessment portfolio, page 10) with Feedback from your mentor.
4. Tasks 1a – 1d in your assessment portfolio with accurate referencing.
5. Continual professional development module, CPD, (found 14 of your candidate pack).
6. Safeguarding commitment e.g. child protection certification.
7. Criminal Records Bureau Disclosure. Information can be found at above website.
8. 3\* standard in alternative discipline.

Please refer to page 28 of your assessment pack for more information. Please send items 2-7 identified on this page, tasks 1a – 1d as noted above, and section 3 of the assessment portfolio (the green bit) to the address stated at the bottom of this letter.

**Please make sure all documentation is sent in order as per you referencing.**

### **Case Study 2 – Coaching Sessions (Assessment Day)**

During your level 2 assessment you will be asked to run a short kayak based coaching session and a short canoe based coaching session. One of these sessions shall be on the move. The students that will be provided for assessment are from a local college and canoe club. They have some knowledge of basic level canoe and kayak skills and are working towards their BCU generic 2\* award.

We would like you to plan 2 sessions that will be run on assessment day, one kayak session and one canoe session. These should be planned so that the skills used in either session can be transferrable between crafts.

Any questions please get in contact with me
