UKCC Level 2 paddle sports coach Award training

Thank you for booking or your interest in the above course below is very important information that you must have read before attending the Fluidskills coaching course.

Who is the Level 2 course designed for?

The BCU Level 2 Certificate in Coaching Paddlesport is appropriate for individuals for development from the UKCC level 1 award or old scheme level 2 training or assessed coaches, who have a basic knowledge of paddlesport, and wish to learn how to help others develop their paddling. The qualification is appropriate to individuals who want to coach any of the various paddlesport disciplines. Level 2 Coaches Trainees will build skills during the course that they will continue to develop after training as they start to gain hours and have mentored assessments as part of their portfolio build under the guidance of a more qualified coach.

This course is designed for a range of people, for example:

- A paddler who wants to lead coach in their local club
- Someone who wants to work in an activity centre

Before candidates can register for the Level 2 Training course they must meet the prerequisites:

- Be at least 16 years old on the first day of the course
- Understand the basics of manoeuvring a canoe or kayak, either through participation in the sport or from observation.
- For a boat based coach; have gained the new BCU 3 star award or have an old BCU 3 star award (or higher) in canoe and in kayak.

All candidates are required to register with the BCU Awarding department prior to embarking on the Level 2 course. Registration forms (CR Form)
can either be obtained directly from BCU Awarding, from the Home Nation Governing Body (Canoe Association of Northern Ireland, Canoe England, Scottish Canoe Association or Welsh Canoeing Association) at the cost of £55. This covers the cost of the Level 2 Workbook, 12 months third party liability insurance and Coach Licence, and supports the administrative costs associated with the qualification. (A discounted rate of £39 is available for candidates who are already members of the BCU through their Home Nation Governing Body.)
